**Decree of H. E. Amirul Momineen (May Allah protect him) on banning the cultivation of poppy in the country**

No. (31)

---

All compatriots are notified that in accordance with this decree, effective immediately upon its issuance, the cultivation of poppy in Afghanistan is hereby strictly prohibited. Subsequent to this declaration, any individual found growing poppies on their property will face severe consequences. Should anyone proceed with poppy cultivation, their crops will be eradicated, and they will be held accountable under the principles of Sharia law.

Moreover, the usage, transportation, sale, commerce, import, and export of narcotics—including but not limited to alcohol, heroin, crystal meth, ketamine tablets, hashish, and other mind-altering substances—are banned throughout the country. This ban extends to the production facilities of these substances. Any individual found in breach of this decree's stipulations will be referred to the legal and judicial institutions of the Islamic Emirate and can anticipate severe punitive measures.
