2. The security organs will appoint all the registered Mujahideen in their organization and transfer their salaries.
3. The Ministries of Defense and Interior Affairs and the General Directorate of Intelligence should make the biometrics of their Mujahideen in a way that avoids duplicate registration and recruitment.
4. The Commission for Regulation of Salaries and Structural Organizations is assigned to continuously monitor and review the process of Mujahideen's registration and determination of positions by the relevant bodies so that all related complaints are dealt with.
5. The mentioned commission is obliged to share its report on this matter with the leadership as soon as possible.
